

Local Labour are fighting for more school places in Hove

Local Labour Councillors and **Lis Telcs** are on the side of parents and are fighting for a new school to be built in Hove.

Your Local Labour team met with education officials about the shortage of school places in Goldsmid. During this meeting Cllr Melanie Davis stressed the urgency for immediate action to increase the number of school places now, and the long term goal of building a new school in Hove.

SIGN OUR PETITION BELOW TO GET MORE PRIMARY SCHOOL PLACES IN HOVE FOR THIS COMING SCHOOL YEAR AND FOR THE FUTURE

The petition will be presented to Brighton and Hove City Council on 16th July at Hove Town Hall, and will call on the Conservative Council to stop delaying and provide more school places across Hove.

Now that the absentee Conservative councillor has resigned and there will be a local by-election on the 23rd July, I will be stepping up my work on the issues local residents have raised with me:

- **More school places now and a new local school** for Goldsmid families
- **reduced traffic speeds** in residential roads
- **refuse and recycling** collections, cleaner safer streets

I have been working with Councillor Melanie Davis for over a year now on the issues that matter to residents in this part of Hove, and I know very well all of the work that being a councillor involves.

I will bring to the role twenty years of real-world experience as a primary school teacher. If elected I will do the job and take only the basic allowance set by an independent panel, **I will claim no additional expenses.**
